FIRST Terms & Conditions

The information you provide in the Registration System is necessary for *FIRST* to properly identify a team, the people and the organization directly supporting the team, and to ensure that competition data is accurate for every team.

FIRST respects the privacy of all those involved in its programs and will protect the information given to it according to the [Privacy Policy](#).

Team Registration

Each *FIRST* team must have two adults, registered in our system to serve as the Coach/Mentor 1 and Coach/Mentor 2 contacts for the season. Each contact must enter a unique, not shared, email account.

For U.S. and Canadian teams both Coach/Mentors must pass screening. The screening is a criminal background and sex offender registry check. Please review the [FIRST Youth Protection Policies](#) carefully at the *FIRST* website.

Code of Conduct for Program Activities

The *FIRST* mission is to inspire a generation of science and technology leaders who are both gracious and professional. This *FIRST* Code of Conduct lists some of the basic behaviors mentors, coaches, volunteers, team members, affiliate partners, contractors, staff, and other participants should adhere to while participating in *FIRST* activities.

- Exhibit Gracious Professionalism® at all times. Gracious Professionalism is a way of doing things that encourages high-quality work, emphasizes the value of others, and respects individuals and the community. With Gracious Professionalism, fierce competition and mutual gain are not separate notions.
- Ensure the safety of all participants in *FIRST* activities.
- Not engage in any form of bullying, harassment, use of profane or insulting language, or any actual or threatened violence.
- Adhere to all *FIRST* Youth Protection Program (YPP) policies.
- Report any unsafe behavior to event or local *FIRST* leadership.

FIRST LEGO League
Challenge - ages 9-14

Friendly competition is at the heart of Challenge, as teams of students ages 9-14 engage in research, problem-solving, coding, and programming a LEGO® robot that navigates the missions of a robot game. Teams also participate in a research project to identify and solve a relevant real-world problem.

*Required LEGO® robot set sold separately.

FIRST LEGO League
Explore - ages 6-10

In Explore, teams of students ages 6-10 focus on the fundamentals of engineering as they explore real-world problems, learn to design, and code and create unique solutions made with LEGO bricks and powered by LEGO Education WeDo 2.0.

*Required LEGO® robot set sold separately.

FIRST LEGO League
Discover - ages 4-6

For children ages 4-6, this playful introductory STEM program ignites their natural curiosity and builds their habits of learning with hands on activities in the classroom and at home using LEGO DUPLO® bricks. Discover is **ONLY** available for Class Pack/School Pack implementation.
