

FIRST Indiana Robotics Board Chair

The mission of FIRST Indiana Robotics (FIN) is to inspire young people to be science and technology leaders and innovators, by engaging them in exciting mentor-based programs that build science, engineering, and technology skills, that inspire innovation and foster well-rounded life capabilities including self-confidence, communication, and leadership. FIN is searching for a committed and experienced individual to serve as the next Chair of our Board of Directors to provide leadership and guidance in achieving our mission.

Duties

- Ensure that FIN is fulfilling its mission & vision
- Serve as an ambassador & representative for FIN at our competitions & other community events
- Prepare for & run board & executive committee meetings
- Provide oversight for other Board members & committees
- Support board member recruitment, onboarding, retention, and engagement efforts
- Provide direct oversight & support to the President
- Work with staff & volunteer leadership to address issues

Qualifications

Required

- Knowledge of & involvement in the FIN community
- Previous management & leadership experience
- Able to contribute a personally significant mix of time, talent, and treasure to the organization

Preferred

- 5+ years experience with all levels of FIRST programs
- Previous non-profit leadership & board service experience
- Strategic planning experience

Time Commitment

- 2-3 hours a week working with FIN staff and addressing concerns and Board business.
- 10-12 hours a month preparing for and leading board & executive committee meetings.

Board member terms are nominally 1 year, but we're looking for someone willing to make a 2-3 year commitment. Board members are term-limited to serve no more than 3 consecutive years in any one position & no more than 5 consecutive years on the Board.

If you are interested in learning more about the position, please contact the search committee at chairsearch@firstindianarobotics.org.
