

# FIRST Indiana Robotics Board Vice Chair

The mission of FIRST Indiana Robotics (FIN) is to inspire young people to be science and technology leaders and innovators, by engaging them in exciting mentor-based programs that build science, engineering, and technology skills, that inspire innovation and foster well-rounded life capabilities including self-confidence, communication, and leadership. FIN is searching for a committed and experienced individual to serve as the next Vice Chair of our Board of Directors to provide leadership and guidance in achieving our mission.

## Duties

- Collaborates closely with board members and executive leadership to advance the organization's mission, monitor progress on strategic goals, and support effective board operations.
- Preside over meetings and fulfill the Chair's duties when the Chair is unavailable, helping ensure continuity in leadership.
- Additional responsibilities may include committee oversight, board member engagement, and succession planning for board leadership roles.

## Qualifications

### Required

- Knowledge of & involvement in the FIN community
- Previous management & leadership experience
- Able to contribute a personally significant mix of time, talent, and treasure to the organization

### Preferred

- 5+ years experience with all levels of FIRST programs
- Previous non-profit leadership & board service experience
- Strategic planning experience

## Time Commitment

- Average of 1-2 hours a week working with FIN staff and addressing concerns and Board business
- Average of 5 hours a month preparing for board & executive committee meetings

Board member terms are 2 years with the Vice Chair being elected in even years. Board members are term-limited to serve no more than 8 consecutive years as a Director.
